Combat! is an American television program that originally aired on ABC from 1962 until 1967. The exclamation point in Combat! was depicted on-screen as a stylized bayonet. The show covered the grim lives of a squad of American soldiers fighting the Germans in France during World War II. The episode "A Day In June" shows D-Day as a flashback, hence the action occurs during and after June 1944.

The littoral combat ship (LCS) is a set of two classes of relatively small surface vessels designed for operations near shore by the United States Navy. It was "envisioned to be a networked, agile, stealthy surface combatant capable of defeating anti-access and asymmetric threats in the littorals." Littoral combat ships are the American equivalent of corvettes.
