The human eye is an organ which reacts to light and pressure. As a sense organ, the mammalian eye allows vision. Human eyes help to provide a three dimensional, moving image, normally coloured in daylight. Rod and cone cells in the retina allow conscious light perception and vision including color differentiation and the perception of depth. The human eye can differentiate between about 10 ...

The Grey Knights standing resolute against the Forces of Chaos. In the Space Marines' long history the Grey Knights hold the highest honour of all: no Grey Knight has ever turned to Chaos or betrayed the trust of the Emperor. This is a subject of much speculation and discussion within the Chapter and the Inquisition.
