A condemned prisoner's last meal is a customary ritual preceding execution. Various countries have various traditions in this regard. A "little glass of rum," but no formal last meal, was granted to the condemned in historical France in the minutes before execution; no meal was offered as the condemned learned of their impending execution only on the fatal morning, generally just minutes in ...

I first learned about this 1-ingredient low calorie banana ice cream in a Weight Watchers meeting several years ago. It was all the rage. I love bananas. I always have them stashed in the freezer. As soon as they get overripe, if I'm not in the mood to turn them into banana bread, I unpeel them, toss them into a ziploc bag and put them in the freezer, where I most often use them in smoothies.

The issue I have with this article is it is making food intake all about weightâ€”which it isnâ€™t. Your body is not going to get the same nutrients it gets from healthy food as it will from pizza and ice cream and stuff like that as long as you stick to a certain amount of carbs calories fats or whatever.
