

infrastructure and sustainable development pdf

Conference Report (PDF). The World Bank Group hosted its second International Conference on Sustainable Development through Quality Infrastructure Investment (QII) February 2nd and 3rd, 2017, co-hosted by the Government of Japan.

Second International Conference on Sustainable Development

Sustainable development is the organizing principle for meeting human development goals while at the same time sustaining the ability of natural systems to provide the natural resources and ecosystem services upon which the economy and society depend. The desired result is a state of society where living conditions and resource use continue to meet human needs without undermining the integrity ...
