

international harvester tractors photo pdf

The International Harvester Loadstar is a series of medium and heavy-duty trucks that were built by International Harvester from 1962 to 1979. The Loadstar was primarily used for local delivery, construction, and agricultural applications, as well as utility and fire trucks. It replaced the earlier R-series, which had been built in medium (and heavier) duty form until the Loadstar arrived.

International Harvester Loadstar - Wikipedia

The International Harvester Scout is an off-road vehicle produced by International Harvester from 1961 to 1980. A precursor of more sophisticated SUVs to come, it was created as a competitor to the Jeep, and it initially featured a fold-down windshield. The Scout and second-generation Scout II were produced in Fort Wayne, Indiana, as two-door trucks with a removable hard top with options of a ...
