Search the world's information, including webpages, images, videos and more. Google has many special features to help you find exactly what you're looking for.

### **Google**

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.

(3) The Code promotes the use of information and communication technologies, as laid down in Decision No 70/2008/EC of the European Parliament and of the Council (2), which is a key element in ensuring trade facilitation and, at the same time, the effectiveness of customs controls, thus reducing costs for business and risk for society. Therefore, all exchanges of information between customs ...
