This one falls into the "surprisingly complex to answer" category. Personally I hate having PDFs open within the browser. I find that the PDF reading application, like Foxit, Acrobat or others, generally provide me much more control over how the document is presented in turn making it much easier for me to read.. It's one of the first things I change when I configure a browser.

How Do I Get PDF Files to Open Inside My Browser? Or Not

A keep (from the Middle English kype) is a type of fortified tower built within castles during the Middle Ages by European nobility. Scholars have debated the scope of the word keep, but usually consider it to refer to large towers in castles that were fortified residences, used as a refuge of last resort should the rest of the castle fall to an adversary.
