Baron Guy de Rothschild, of France, has been the leading light of his bloodline. The Baron is an Illuminati Kingpin and slave programmer. For those who have bought the cover story that the Catholic Church is not part of the Illuminatiâ€™s NWO, I would point out that the Baron has worked with the Pope in programming

slaves.

Introduction. We've all heard the following response when we have tried to share a truth from Scripture - "Well, that's just your interpretation!" This retort begs the question of whether there are in fact many valid interpretations or whether there is only one interpretation intended by the author (and the Author).

The Turing test, developed by Alan Turing in 1950, is a test of a machine's ability to exhibit intelligent behavior equivalent to, or indistinguishable from, that of a human. Turing proposed that a human evaluator would judge natural language conversations between a human and a machine designed to generate human-like responses. The evaluator would be aware that one of the two partners in ...
